- A standard PA system will be provided (i.e. amplifier and microphones). Please indicate the recording format in which your backing track / performance music (if applicable) will be provided, the number of microphones required and the electrical requirements (i.e. number of 13 amp sockets) of any additional instruments / equipment you will be bringing (please specify). We cannot guarantee to be able to match all requirements - but would contact you before the auditions if there might be a problem.
- Performers who are under 18 must give their actual age on this form. Adult performers (18 years or over) may give their actual age if they wish or just write 'Adult'.
- If a large number of entries are received from pupils of one local school then it *may* be possible to hold auditions at that school.
- Depending on the number of entries it may be necessary to hold further audition sessions in addition to the 27/28 June. If this happens, we would contact you to discuss dates. We cannot guarantee to be able to offer you your preferred date, but will do our best.
